

Rear Admiral Charles P. Plunkett in charge of the Navy's "railroad guns," the largest cannon on the western front. He is strafing Fritz 20 miles away.

Copyright, Harris & Ewing.

All day long an earnest, intensely interested crowd of all nationalities watches this great war map in front of a Parisian newspaper office. Changes are made twice daily on receipt of the communiques.

Copyright, International Film.

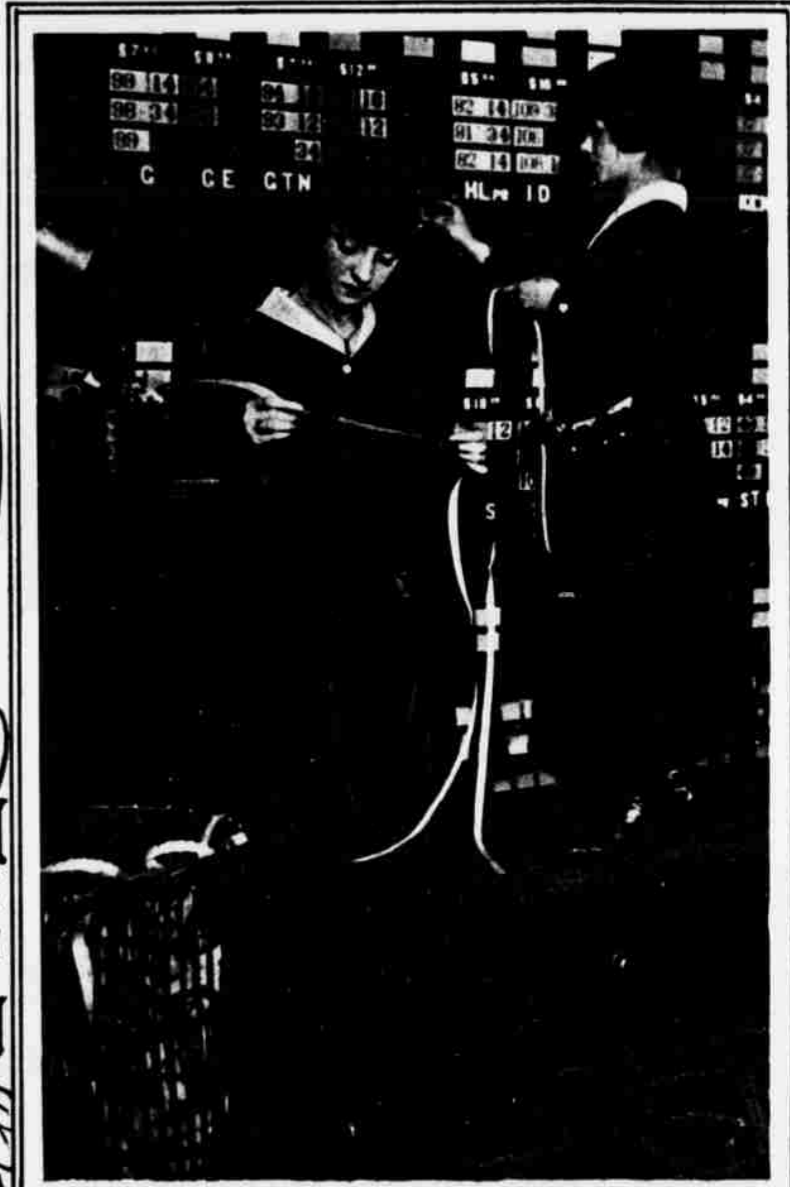

Louise Groody, who is one of the particularly pleasing sights of "Fidlers Three" at the Cort Theatre.

Florence Bruce, young and talented, who plays in "The Canary."

Elsie Ferguson, popular actress, who is now one of Artcraft Film's stars.

There's hardly a field that woman hasn't invaded since the war began, the latest being that of running stock quotation boards.

Copyright, Underwood & Underwood.

Jane Oaker, who is appearing in "Lightnin'" at the Gaiety.
